### **Editorial Review**

#### About the Author

Rumi, born in Balkh, which was part of the Persian empire, was born on September 20, 1207. His two masterpieces are Divan-i Shams-i Tabrizi and the Mathnawi-yi-manawi (Spiritual Couplets). Rumi's writings may be enjoyed by everyone. We still yearn for the same spiritual balance that Rumi spoke about; we still ask the same questions about the meaning of life and death that Rumi addressed.

### **Users Review**

#### **From reader reviews:**

##### **Kurt Gomez:**

What do you ponder on book? It is just for students since they are still students or this for all people in the world, what best subject for that? Just you can be answered for that issue above.
