Shakti: Realm of the Divine Mother By Vanamali

Presents the mystery of the Divine Mother in all her manifold aspects

- Explores more than 30 different goddess aspects of the Shakti force, both beneficial and malefic
- Includes Sanskrit hymns and classic verses by Sri Auribindo for each of the goddesses

Shakti is synonymous with the Devi, the Divine Mother or divine power that manifests, sustains, and transforms the universe. She is the womb of all creatures, and it is through her that the One becomes the many. Our first and primary relationship to the world is through the mother, the source of love, security, and nourishment. Extending this relationship to worship of a cosmic being as mother was a natural step found not only in the Shakti cult of Hinduism but also in ancient Greek, Egyptian, and Babylonian cultures.

Shakti presents more than 30 goddess incarnations of the Divine Mother that represent both the beneficial and malefic aspects of the Shakti force. From Lakshmi, Parvati, and Saraswati to Durga, Chandika, and Kali--each of the different functions of the female goddesses in the Hindu pantheon is revealed, accompanied by traditional Sanskrit hymns, classic verses by Sri Auribindo, and discussions of tantric philosophy. The author draws from the Devi Bhagavatham, which describes all the stories of Shakti, and the Devi Mahatmyam, the most powerful scriptural text that glorifies Shakti in her form as Durga. Using these texts she shows that through the power and grace of the Divine Mother we may be released from the darkness of ignorance and taken to the abode of knowledge, immortality, and bliss--the source from which we have come.

Editorial Review

Review

"A thoroughly interesting and memorable book." (*Yoga Magazine, Nov 2008*)

". . . what makes this book different is that Vanamali goes beyond the stories of over thirty avatars in order to discuss the esoteric significance of each incarnation. Vanamali has accomplished the gargantuan task of bringing the many different aspects of Devi into a single book. . . . spectacularly researched . . ." (*Sunitha Jayan, Feminist Review, Nov 2008*)

"Too often, our sources of information about the Hindu Great Mother arise from Western authors. These authors, no matter how sincere, tinge their works with Western ideas. Vanamali moves us past that blockage. Her understandings are authentic and innate, steeped in the cultural frame she's lived amid. Vanamali takes us beyond the superficial into a deep understanding of the divine balance between Shakti and Shiva." (*Moondance, Feb 2009*)

"This is an excellent introduction into the world of Hindu culture, easy to understand, yet filled with details that will titillate your mind and imagination." (*Sonia von Matt Stoddard, Awareness Magazine, Vol. 16 No.1, Jan/Feb 2009*)

children. She lives at the Vanamali ashram at Rishikesh in northern India.

Users Review

From reader reviews:

Rita Heil:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their spare time to take a wander, shopping, or went to often the Mall. How about open or maybe read a book allowed Shakti: Realm of the Divine Mother? Maybe it is for being best activity for you. You know beside you can spend your time using your favorite's book, you can wiser than before. Do you agree with it has the opinion or you have different opinion?

William Phillips:

Book is usually written, printed, or outlined for everything. You can understand everything you want by a e-book. Book has a different type. As we know that book is important factor to bring us around the world. Beside that you can your reading skill was fluently. A publication Shakti: Realm of the Divine Mother will make you to end up being smarter. You can feel considerably more confidence if you can know about anything. But some of you think that will open or reading a new book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you trying to find best book or suited book with you?

Timothy Hawkins:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is inside former life are hard to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Shakti: Realm of the Divine Mother as the daily resource information.

Margaret Parker:

Spent a free a chance to be fun activity to accomplish! A lot of people spent their down time with their family, or their very own friends. Usually they doing activity like watching television, planning to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Could possibly be reading a book can be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to attempt look for book, may be the publication untitled Shakti: Realm of the Divine Mother can be great book to read. May be it may be best activity to you.
