### Editorial Review

#### Review

"Insight Editions is one of the companies that consistently produces beautiful, well-written books about the production process. There's nothing like having an oversized book, allowing you to really take in a piece of production art. And with a film like this, you're talking about page after page of lush beautiful imagery."

— Hitfix.com

"Crafted by Ellen Wolff (with a foreword by Favreau), the coffee table book features exclusive interviews with key cast members, from Bill Murray to Scarlett Johansson, offering an in-depth dive into all things *Jungle Book*."
