The Complete Western Stories of Elmore Leonard By Elmore Leonard

No one is more evocative of the dusty, gutsy hey-day of the American West than Elmore Leonard. And no story about a young writer struggling to launch his career ever matched its subject matter better than the tale behind Leonard's Western oeuvre.

In 1950, fresh out of college -- having written two "pointless" stories, as he describes them -- Leonard decided he needed to pick a market, a big one, which would give him a better chance to be published while he learned to write. In choosing between crime and Westerns, the latter had an irresistible pull -- Leonard loved movies set in the West. As he researched deeper into settings, Arizona in the 1880s captured his imagination: the Spanish influence, the standoffs and shootouts between Apache Indians and the U.S. cavalry ...

His first dozen stories sold for 2 cents a word, for \$100 each. The rest is history.

This first-ever complete collection of Leonard's thirty Western tales will thrill lovers of the genre, his die-hard fans, and everyone in between -- and makes a terrific study of the launch of a phenomenal career.

From his very first story ever published -- "The Trail of the Apache" -- through five decades of classic Western tales, *The Complete Western Stories of Elmore Leonard* demonstrates again and again the superb talent for language and gripping narrative that has made Leonard one of the most acclaimed and influential writers of our time.
