The Grass Is Always Greener (Belles) By Jen Calonita

Who says you can't choose your family?

Their shared sweet sixteen party is just around the corner, and half sisters Isabelle Scott and Mirabelle Monroe are ready to cut loose, even if they are the daughters of a prominent public figure. So when Izzie's estranged aunt, Zoe, breezes into town unannounced, it just might be the change that the Monroe family needs--or not, depending on who you ask...

Happy with her cute surfer boyfriend and a group of great girlfriends, Izzie has no interest in getting to know yet another long-lost family member. But Mira, who's on a mission to try new things and meet new people--a handsome brooding painter in particular--is drawn to Izzie's artsy aunt, who seems to be the polar opposite of the uptight Monroe family.

As the girls try to negotiate the unexpected paths their lives have taken, Zoe's laid-back attitude eventually charms them both. But when Zoe offers Izzie the chance to leave Emerald Cove and start fresh in California, Izzie and Mira are faced with bigger changes than they expected.

Editorial Review

Users Review

From reader reviews:

Walter Gagne:

Book is written, printed, or illustrated for everything. You can understand everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Beside that you can your reading ability was fluently. A guide The Grass Is Always Greener (Belles) will make you to be smarter. You can feel far more confidence if you can know about every little thing. But some of you think which open or reading a new book make you bored. It is not make you fun. Why they are often thought like that? Have you in search of best book or acceptable book with you?

Sally Staten:

Your reading 6th sense will not betray anyone, why because this The Grass Is Always Greener (Belles) reserve written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written with good manner for you, dripping every ideas and writing skill only for eliminate your hunger then you still hesitation The Grass Is Always Greener (Belles) as good book not simply by the cover but also by content. This is one guide that can break don't determine book by its handle, so do you still needing one more sixth sense to pick this specific!?! Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Nathaniel Thomas:

What is your hobby? Have you heard which question when you got college students? We believe that that query was given by teacher to the students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person just like reading or as studying become their hobby. You need to know that reading is very important and also book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You get good news or update regarding something by book. Different categories of books that can you decide to try be your object. One of them is this The Grass Is Always Greener (Belles).

David Mathews:

Some people said that they feel fed up when they reading a publication. They are directly felt it when they get a half areas of the book. You can choose typically the book The Grass Is Always Greener (Belles) to make your current reading is interesting. Your current skill of reading expertise is developing when you similar to reading. Try to choose very simple book to make you enjoy to see it and mingle the impression about book and looking at especially. It is to be first opinion for you to like to open a book and read it.

Beside that the reserve The Grass Is Always Greener (Belles) can to be a newly purchased friend when you're truly feel alone and confuse in doing what must you're doing of the time.
