### Who Needs God By Harold Kushner

If you have lost faith or have never known it, or if you have ever wondered "What can religion offer?" here are wise and thoughtful answers. With the warmth, insight, and understanding that distinguished his phenomenal bestsellers *When Bad Things Happen to Good People* and *How Good Do We Have to Be?*, Harold Kushner addresses a critical issue in the lives of many: a spiritual hunger that no personal success can feed. Rabbi Kushner shows how religious commitment does have a place in our daily lives, filling a need for connection, joy, and community.

For anyone who has ever wanted a more fulfilling life or wished to make a difference in the lives of others...for anyone who has ever felt guilty, afraid, or alone...Rabbi Kushner shares a path to faith that offers new sources of comfort and strength for all of us. Powerful, provocative, and persuasive, *Who Needs God* is a message of universal appeal.

### Editorial Review

From Publishers Weekly

Using an approach that is "pragmatic and ecumenical rather than didactic," rabbi and spiritual counselor Kushner asserts that all people need God. "This is an inspirational book for all, no matter whether religious or skeptic," wrote PW.

From Library Journal

Attaining and then maintaining religious sense or persuasion is often difficult today. Our culture of individualism, self-sufficiency, and competitiveness thwarts, even nullifies spiritual inclinations, with technology a prime contender for our reverence even though it is totally "witless and unimaginative" on its own. Yet many people are vaguely aware of something lacking in their lives. Rabbi Kushner (best known for *When Bad Things Happen to Good People*) believes that "human life has meaning . . . but only in religious terms." According to this crucial realization, it is religion that connects us to God and community. In the end, Rabbi Kushner goes so far as to define religion as community rather than theology--a point of contention. What, then, would be the point of his title? But mainly, he attempts to transcend differences while conveying basic spiritual truths. Recommended for general audiences. Previewed in Prepub Alert, LJ 7/89.

*Houston Post* Down to earth...compelling and thoughtful.

*The Plain Dealer* (Cleveland) Thoughtful...richly concrete...Kushner invites his readers to rethink the role of religion in their lives.
