Conan: The Ultimate Guide to the World's Most Savage Barbarian By Roy Thomas

For more than 70 years, fantasy fans have followed the exploits of Conan through novels, comic books, and movies. This book, the first-ever illustrated guide to Robert E. Howard's most beloved character, is a genuine treasure chest of Conan lore, following Conan through the ages, through his different careers, as he meets friends and foes and travels across the Hyborian continent. Includes a foreword by Todd McFarlane. Created in full cooperation with Conan Properties International, LLC. Features character profiles, maps, art from original paperbacks, comic books, video games, and more.

"Conan of Cimmeria remains as vital today as he did when he first emerged from the pages of *Weird Tales* three quarters of a century ago to trample the jeweled crowns of earth under his sandaled feet. This gorgeous new volume, lavishly and beautifully illustrated, is a testament to his enduring popularity, a treasure for fans of Robert E. Howard, and a splendid introduction to the Hyborian Age for new readers. If you don't know Conan, you don't know fantasy."

--GEORGE R.R. MARTIN, author of #1 *New York Times* bestseller *A Feast for Crows*

"Robert E. Howard dreamed Conan the Cimmerian for himself, and set him free to roam the world of his own Hyborian soul; but first in his years at Marvel Comics and now with this encyclopedic culmination, Roy Thomas dreamed him for all of us, and made that world come vividly to life within our own."

--MICHAEL CHABON, Pulitzer Prize-winning author of *The Amazing Adventures of Kavalier and Clay* and *Wonder Boys*

"No one has done more to popularize Robert E. Howard's Conan the Barbarian than Roy Thomas, whose thrilling stories and brilliant editing propelled the world's favorite barbarian to the list of Marvel Comics' best-sellers for more than a decade. And now Roy has brought his knowledge and skills to bear in this ultimate guide, a fan's dream come true."

--STAN LEE, creator of *The Amazing Spider-Man* and *The Fantastic Four*
