Editorial Review

From Library Journal

In her earlier *The Deming Management Method* (Putnam, 1986), Walton examined the principles of W. Edwards Deming that had revitalized Japanese industry. Now, she looks at the Deming method as applied at Florida Power & Light, Hospital Corporation of America, Tri-Cities Tennessee, Bridgestone (USA), Globe Metallurgical, and the U.S. Navy. Similar to Andrea Gabor's *The Man Who Discovered Quality* (LJ 9/15/90), Walton's book discusses fewer cases in greater depth. Either book would be a good addition to business collections. Like *The Deming Management Method*, Aguayo's book covers Deming's 14 points of management but contains more analysis of how those ideas can be put to use. Both present Deming's theories clearly, but if Walton's book is not already owned, Aguayo's would be the best choice. A comprehensive business collection may want all four books, but small collections can limit themselves to one each on the practical and theoretical approaches to Deming's method.

Users Review

From reader reviews:

Natalie Hernandez:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each e-book has different aim or goal; it means that reserve has different type. Some people really feel enjoy to spend their time to read a book. They may be reading whatever they take because their hobby is definitely reading a book. Think about the person who don't like looking at a book? Sometime, person feel need book after they found difficult problem or exercise. Well, probably you should have this *Deming Management at Work*.

Bobby Blade:

Spent a free time to be fun activity to complete! A lot of people spent their leisure time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Might be reading a book can be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to try out look for book, may be the guide untitled *Deming Management at Work* can be great book to read. May be it may be best activity to you.

Jerry Lyon:

A lot of people always spent their particular free time to vacation or go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or playing video games all day long. If you need to try to find a new activity that's look different you can read any book.

It is really fun for yourself. If you enjoy the book that you simply read you can spent the entire day to reading a publication. The book Deming Management at Work it doesn't matter what good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. If you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore very easily to read this book from a smart phone. The price is not to fund but this book provides high quality.

Leon Bailey:

This Deming Management at Work is great e-book for you because the content which is full of information for you who else always deal with world and have to make decision every minute. That book reveal it info accurately using great arrange word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having Deming Management at Work in your hand like obtaining the world in your arm, facts in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen minute right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?
