He That is Spiritual: Chafer Memorial Edition From Zondervan Publishing

The twentieth century has witnessed growing interest in the doctrine of the Holy Spirit. The advent of crisis theology with its claim to supernatural revelation has tended to focus attention on the doctrine of the Holy Spirit. In contemporary discussion it has become increasingly apparent that the spiritual life, realized by the filling of the Holy Spirit, is not only the key to spiritual enjoyment and holiness, but also is the profound basis of Biblical epistemology, God's method of revealing spiritual truth to prepared hearts and minds. In contemporary theology where supernatural revelation by the Holy Spirit is being challenged by the "God is dead" philosophy, and Biblical standards of holiness are confronted by the "new Morality," it is refreshing to review the timeless principles provided in the grace of God for a dynamic spiritual life of holiness, peace, and enjoyment.
