### Editorial Review

#### Review

"The story can be read on it's own, but with these brothers you will want to catch all of them. The genre is well-known, best friends, employer/employee, not seeing what's right in front of you, but this story takes and elevates those genres in a way that only Ms. Rock can." - Harlequin Junkie "Recommended Read"

"This fake fiancé plan is unexpected and crazy, yet the romance works in this Bayou Billionaires tale. The conflict for Addy becomes whether or not to believe that his feelings are real." - Romantic Times, 4 stars
